The United States of America, by its attorneys, Melinda Haag, United States Attorney for the Northern District of California, and Special Assistant United States Attorney ("AUSA") Marc Price Wolf, and defendant DANIEL SANTIAGO, by his attorney, Peter Goodman, hereby submit this Stipulation and [Proposed] Order requesting that the briefing schedule relative to the defense *Daubert* motion that was set on September 20, 2013, be modified to extend the filing dates and the hearing by two weeks. The current schedule provides that the defense will file its opening brief on October 18, 2013; the government will file its opposition on November 16, 2013; the defense will file its reply on November 22, 2013; a hearing on the motion is scheduled on December 3, 2013, at 2:00 p.m. Defense counsel has learned by Bicka Barlow, who has been designated as associate counsel in this matter and will be arguing the *Daubert* motion, will be out of

1 the country on December 3, 2013. The defense has also determined that the DNA  
2 testing performed by the Serological Research Institute ("SERI"), the admissibility of  
3 which is the subject of the *Daubert* motion, involved "validation studies" and other  
4 documentation which the defense needs to prepare the motion. The defense has  
5 requested those materials and anticipates that they will be made available by SERI  
6 in the next two weeks. The defense will be providing copies of those materials to  
7 the government upon their receipt from SERI.

8 Given the unavailability of Ms. Barlow on the day the motion is scheduled to  
9 be heard and the defense need for additional discovery materials related to the DNA  
10 testing performed by SERI, the parties are requesting that the present briefing schedule  
11 be modified to provide that the defense will file its *Daubert* motion on October 28, 2013;  
12 the government will file its opposition on November 25, 2013; the defense will file its reply  
13 on December 6, 2013; and the hearing on the motion will be held on December 17, 2013,  
14 at 2:00 p.m.

15 The defendant is out of custody on location monitoring. Given his release from  
16 custody, the defendant is agreeable to a further exclusion of time pursuant to 18 U.S.C.  
17 §§3161(h)(7)(A) and (h)(7)(B)(iv) of the Speedy Trial Act from the date of this Stipulation  
18 until the date all pretrial motions in his case are decided.
